Renzo C. Casellini, a Master Dental Technologist, received his education in Switzerland, Where his family has been dynamically involved in the dental industry for four generations. For the past 36 years he has been the owner of Swiss Quality Dental Ceramics & Dental Implant Studio. He services his accounts throughout the United States and internationally. His detailed articles on implants and esthetics have been featured in over 50 professional publications throughout the world. Mr. Casellini has specialized in porcelain restorations, full mouth reconstruction, attachment combination cases, Osseo integrated implants, and telescopic designs. He has served as an Instructor in Restorative Dentistry at Loma Linda University of California. Mr. Casellini is a member of several international associations and frequently lectures worldwide on esthetic implant restorations for the last 32 years.

Mr. Casellini has received a Mastership from the American Academy of Implant Prosthodontics, the International College of Oral Implantologist, as well as the alliance of the American College of Prosthodontics. In 2007 He became ICOI/IPS Certified Implant Prosthetist and a Member of the Board. In 2008 He became Board President of The Implant Prosthodontic Section of the International Congress of Oral Implantologists. He is on the Editorial Review Board for the "Implant Dentistry Journal" and "Spectrum Dental Journal." In 1999 he received the Ellis Island Medal of Honor Award and became an honorary member.
